TWENTY-SECOND PLENARY MEETING

JOINT COMMUNIQUÉ

1. The twenty-second Plenary meeting of the North South Ministerial Council (NSMC) was held in Dublin Castle on 4 July 2016.
2. The Irish Government was led by the Taoiseach, Enda Kenny TD, who chaired the meeting. The Northern Ireland Executive was led by the First Minister Arlene Foster MLA and the deputy First Minister Martin McGuinness MLA. A full list of the members of both delegations is attached as an Annex.
3. The meeting provided the new Irish Government and the new Northern Ireland Executive with the opportunity to meet formally for the first time and exchange views on a wide range of issues of mutual interest and concern, especially in light of the recent UK referendum decision to leave the EU.

OPENING REMARKS

4. In their opening discussion, Ministers welcomed this early opportunity for the new Irish Government and the Northern Ireland Executive to discuss the implications of the recent referendum decision for Northern Ireland and for relations between both jurisdictions.

5. The Council agreed that as the mechanism of a UK exit from the EU becomes clearer, the implications of the referendum decision on North South cooperation should be explored in detail under all sectors.
6. Ministers welcomed the development of the Irish Government's new Programme for a Partnership Government and the Northern Ireland Executive's new Draft Programme for Government Framework and noted that building and maintaining relationships between each jurisdiction features in both of these documents.
7. Ministers of Health announced that they were jointly opening the cardiac catheterisation lab in Our Lady's Children's Hospital, Crumlin and announced the way forward for the all island Congenital Heart Disease Network. The Ministers look forward to working together to build on the good progress made by their Departments and committed to further scope opportunities for all Island co-operation in health and social care.

FINANCIAL AND EU MATTERS

[Implications of UK Referendum]

8. The Council had a detailed discussion on the potential impact of the UK referendum result to leave the EU. In order to optimise joint planning and engagement on key issues arising following the UK referendum result, the NSMC:
 - Agreed to work together to ensure that Northern Ireland's interests are protected and advanced and the benefits of North/South co-operation are fully recognised in any new arrangements which emerge as regards the United Kingdom's future relationship with the European Union;
 - Noted that there are a number of priority areas where implications arise, but particularly including:
 - The Economy and trade
 - Northern Ireland and British Irish Relations
 - The Common Travel Area
 - The EU.
 - Agreed that a full audit will be undertaken in all sectors to identify the possible impacts, risks, opportunities and contingencies arising in the phases preceding and following the UK's withdrawal from the EU;
 - Agreed that this work will in turn be submitted to ministerial sectoral meetings for consideration as to the strategic and cross-cutting issues arising and that final priorities will be agreed by the next NSMC Plenary for both pre-negotiation and negotiation phases;
 - Agreed that a further discussion on the implications of the referendum result will take place at the next NSMC Plenary;

- Agreed that the NSMC can provide a useful forum for ongoing discussion on relevant matters;
- Re-iterated the joint commitment of the Irish Government and the Northern Ireland Executive to the successful implementation of the PEACE and INTERREG programmes, and agreed that the Minister for Public Expenditure and Reform and the Northern Ireland Finance Minister will consider the issue of securing the ERDF funding for PEACE and INTERREG, including through engagement with the European Commission;
- Agreed that the frequency of the briefings on relevant EU matters provided by the Irish Government for senior Northern Ireland officials should increase and include consideration of issues arising from the referendum decision;
- Agreed that the Irish Permanent Representation in Brussels and the Northern Ireland Executive Office in Brussels will continue and intensify their close working relationship; and
- Noted and welcomed Prime Minister Cameron's clear commitment to engagement of the Northern Ireland Executive in the United Kingdom's negotiating process with the European Union.

9. Ministers also provided updates on economic conditions North and South.

12. Ministers noted that the group of Senior Officials will continue to meet regularly to maintain a strategic overview of the projects and commitments set out in Fresh Start and to explore funding opportunities for economic and infrastructural investment.
