## Sixth Annual Report on the Operation of The IMC

WEDNESDAY 16 MARCH 2011

### Sixth Annual Report on the Operation of The IMC

Secretary of State Owen Paterson has today laid before Parliament his sixth annual report on the operation of the IMC.

The report covers the operation of the International Agreement between the British and Irish Governments that established the IMC and the operation of provisions of the Northern Ireland Act 1998.

In a written statement, Owen Paterson said: "I have today published and laid before Parliament my sixth annual report on the operation of the Agreement between the British and Irish Governments which established the Independent Monitoring Commission (IMC). This report covers the period 18 September 2008 to 17 September 2009.

In line with a commitment made by one of my predecessors, this report contains the audited accounts of the IMC for the 12 month period ending 31 March 2009.

The report covers the 20th and 21st reports on paramilitary activity. It does not refer to the 22nd report on paramilitary activity as it fell outside the twelve month period under review.

I am very grateful to the Commissioners of the IMC for their valuable contribution during this reporting period and for their commitment to promoting and maintaining a peaceful society and a stable and inclusive devolved Government in Northern Ireland .
