S.871.

Dear Sir,

I wish to acknowledge receipt of your letter and apologise for not replying earlier. This was unavoidable, as I was on holidays and have only taken up duty today, on which date I received your letter of the 8th inst.

I have noted the subject matter and would be grateful if you could inform me of the following:-

- (a) Is there a branch of the Northern Ireland Civil Rights Association in Londonderry?
- (b) If so, who are the responsible officials?
- (c) If not, are there any persons in Londonderry acting on behalf of your Committee to whom I could refer, if occasion demanded it? I would appreciate you furnishing me with the names and addresses of these persons.

I await further information from you regarding details of proposed parade on 5th prox.

Yours faithfully,
(Sgd.) R.R. McGimpsey,

District Inspector.
