Dear Lynn

RE: IRISH AMERICAN PARTNERSHIP MISSION

Thank you for your help in organising the Northern Ireland part of the two Missions which the Irish American Partnership is bringing to Ireland over the next few weeks.

GENERAL KELLEY MISSION

I enclose a copy of the programme as it stands at present. There are a few details to be filled in yet.

I also enclose a list of those who are participating in the Mission. I expect that virtually all of these will visit Belfast on November 3 and 4 although it is possible that a few may not wish to do so. As soon as I have clarification of this I will advise you.

Please note that in addition to these visitors the group will be joined by three people from the Irish American Partnership in Dublin:

Our Chairman, Mr Padraic A White (Managing Director - Industrial Development Authority) will fly to Belfast with the group on the evening of Friday November 3 and will attend your dinner in Hillsborough Castle. He will need overnight accommodation and will be returning to Dublin early on Saturday morning.

Ms Lynn Hutchinson

One of our Directors, Mr Malachy Sherlock, will also travel to Belfast with the group by air on Friday November 3. He would like to attend the Hillsborough Castle function and plans to stay with the group for their programme on Saturday November 4. He will also require accommodation in Belfast.

I will be travelling with the group and would appreciate it if you could arrange accommodation for me also.

HILLSBOROUGH CASTLE DINNER

I have noted on an attachment some names of people who have had dealings with the Irish American Partnership and whom you might consider for your invitation list. I imagine many of these will already be on your list.

MICHIGAN MISSION

I enclose also:

- the latest version of the programme for this group.
- The names of those who are participating.
(please note there is one dropout).

Yours sincerely
